# Grappas from Marolo

after years of drinking grappa with my father on the Jersey shore I've found that Marolo is simply the finest artisan grappa maker out there and so I have forsaken all others, yes, even my beloved Nonino and the esteemed Jacopo Poli!

Brunello	classic but soft
Barolo	oakier, drinks like a single malt
Moscato	intense and fragrant (in a grappa way)
Camomile	actually sweet with honey notes, the only grappa my mother can stomach!

all selections \$6.
